Official Bulletin of the Kiwanis Club of Lincoln

Bulletin of October 13, 2009

FROM THE PODIUM

Donna Judah took the gavel in hand and ran her first official meeting as president. She called on several committee chairs to give the state of their committee for the new Kiwanis year 2009-2010.

Treasurer - Maggie Smith announced that dues were payable on October 1, 2009, so please send your dues to Maggie in the self addressed envelope provided with your invoice.

For reimbursement of Kiwanis expenses, use the club forms available from Maggie or Mike Smith and don't forget to attach receipts.

See's Candy - Chair Jim Berry is still looking for a downtown location to sell See's. Candy kickoff day is November 16th (that's a Monday). Jim says we can still locate in the old Rainbow Market parking lot, but is also considering other venues.

Smiles for Kids - Dr. Paul Denzler has a sign-up sheet circulating for the "smiles" program at Lincoln elementary schools later this month.

Treasure Chest Program - Char announced that the bucket to collect your pocket change will be circulated at the first meeting of each month. The money is used to buy new or softly used books for Lincoln school students.

Bringing Up Grades (BUGS) - Maggie announced that the program is well under way and that more volunteers are needed. Feel free to ask friends and neighbors to participate.

Publicity - All publicity articles/announcements shall be funneled through Chair Gail Cirata. We have members doing double work. Example: This month's CAL-NEV-HA Magazine had an article that publicized our "All K Day" event. I thought it was the one that I sent in until I read it and realized that it was somebody else's very well done article. The phantom author and I should have gone through Gail to avoid the double submittal.

Holiday Home Tour - Our next committee meeting will be held on October 20th immediately following the regular meeting. We will review the drafts of the insert for the Sun City Compass and this year's ticket. Sponsors will also be discussed.

LAST WEEK'S GUESTS

No guests. 23 members were present.

SOME OF LAST WEEK'S HAPPY & SADS

Lots of happy dollars for the Installation Dinner and Program

Kent - Sad it was 108 degrees when he visited Indio. Sad that the Palm Springs Kiwanis Club has a lot of members older than Kent. Is that possible??

Gene - Happy/sad that he visited Jim's birthplace, Deadwood, South Dakota.

Dr. Paul - Sad that his car was totaled in an accident on Business I80.

Tom - Happy for both the old and new club officers.

Logan - Happy to be back from Utah where they visited Jackie's 92 year old Dad.

LINCOLN AIR SHOW BRINGS OUT KEY CLUBBERS

Pictured (right) are members of the Lincoln High School InterAct/Key Club. They are just a few of the many Key Club members who manned the popcorn machine throughout the day at the October 3rd Lincoln Air Show. The kids also helped load up our supplies after the show ended.

The Kids are excited about their plans for community service throughout the year which include "Relay for Life" next spring and hosting the Division 44 Key Club Conference.

A GREAT INSTALLATION EVENT

Lt. Governor Karen Borman and Bud Borman were our guests. Karen did the honors of de-installing last years officers and board of directors and installing the 2009-2010 Officers and Board of Directors. A wonderful gala event with decorated tables, good food and a large turnout of about 50 members/significant others. The games were well thought out with winners Frank Jensen and Mike Smith. Gail Cirata assisted Donna handing out awards (bling bling Kiwanis pins for the ladies and license plate holders for the men) to last year's hard working directors and committee chairs. Past President Gale Hall gave out the prizes for most race cars awards to: first place Jim Berry (31 cars) and second place Terry Dorsey (27 cars). They won dinner certificates to BIBA'S RESTAURANT.

Gale Hall was presented with a suede jacket and a President's "K" album.

KIWANIS THEME FOR 2009-2010

It seems that with the drawing of two pair of hands clasped, it would be difficult to come up with a theme for this Kiwanis year.

President Donna and Division 44 Lt. Governor Karen were discussing the dilemma and Karen said, "Oh, just think outside of the box", and thus a theme was born.
